

CONNERY PLACES

Office Holding Record of Family in State, County and City Arouses Public Interest in "Fire Appliances."

There are citizens who believe that it is contrary to good public policy in a free country to put too many of the public offices in one community in the possession of members of a single family.

The threats made by members of the Connery family to put The Eagle out of business impelled this newspaper to ferret out just what grasp the Connerys have on public affairs.

The result is startling and of interest to taxpayers, voters and the public generally.

No wonder some of this gang of public payroll ornaments believe that they can use the United States Government in their business.

They evidently have found the State of Illinois, County of Cook and City of Chicago.

Very profitable and easily worked attachments to the family possessions. Democrats in Chicago are wondering why all of the public jobs are not given to Connerys.

It may be due to the fact that there are not enough Connerys to go around. Connerys First!

What a noble family motto that is to be sure.

And often has the Democratic party fallen for the Connerys and their well-known hankering for good things.

"State Street Store" Blocki as you may have heard him referred to, a partner of John T. Connery in the coal business, is a member of the Board of Review.

William J. Connery, nephew of John T. Connery, holds the nice-salaried job of Secretary of Reviewer Blocki.

Partner Blocki will run for re-election next year, so prepare your ballots.

Good stories of city contracts and of other contracts in which the Connery connections were alleged to have been interested are not so far forgotten that the public interest in them ever wholly died out.

There was a number of talented Democratic leaders who held office or contracts under the Busse BUSINESS administration.

We have referred to some of these worthies before as our files will attest. But talking of the Busse BUSINESS administration, Democrats do not forget the party treason which brought it about.

Democrats do not forget the dose that some members of the Connery gang gave Mayor Dunne in 1907 when he was running for re-election.

Although looked upon by many in the light of the Royal Family of the Democratic party, entitled to most, if not to all, of the jobs in its gift, the Connerys are alleged to have given such great support to Busse and to have worked so hard to defeat Dunne that Busse's gratitude was great.

When John W. Rainey, always a good Democrat and an able man, was running for Clerk of the Circuit Court in 1912, the Connery outfit fought him at the polls in favor of Joseph E. Bidwell, Jr., a Republican.

When Robert M. Sweitzer was running for the Democratic nomination for Mayor in 1915, the Connerys saw another chance to put a member of the family in that office and they trotted out Francis D. Connery, then City Clerk and now Comptroller of the Sanitary District of Chicago.

But the Democratic stomach was showing signs of balking at an over-diet of Connery and the noble Francis D. was sent back to the payroll to wait for another chance.

Sweitzer got the nomination and it is said that the Connery following did not forgive him for crowding out one of the princes of the blood and were not over-enthusiastic for Sweitzer's election—to say the least.

This year the Connerys are not asking for much.

It is reported that Joseph E. Bidwell, Jr., son-in-law of John T. Connery will not seek Republican nomination for Clerk of the Circuit Court against John W. Rainey, the present

efficient Democratic incumbent of that office.

Joseph F. Connery, a brother of John T. Connery and a brother of Francis D. Connery and an uncle-in-law of Joseph E. Bidwell, Jr., will seek a re-nomination for Recorder of Deeds.

Michael M. Connery, brother of John T. Connery, and Francis D. Connery will retain his present big job as Inspector for Attorney General Lucey.

Henry E. Connery, brother of Michael M. Connery, Joseph F. Connery, John T. Connery and Francis D. Connery, and uncle of William J. Connery and uncle-in-law of Joseph E. Bidwell, Jr., will hold his present lucrative job as State Bank Examiner.

Francis D. Connery, brother of Henry E. Connery, Joseph F. Connery, John T. Connery and Francis D. Connery, and uncle of William J. Connery and uncle-in-law of Joseph E. Bidwell, Jr., will retain his present \$6,000 a year job as Comptroller of the Sanitary District of Chicago.

Joseph M. Connery, cousin of Francis D. Connery, Henry E. Connery, Joseph F. Connery, John T. Connery and Michael M. Connery has been mentioned for the Democratic nomination for Board of Review this year.

State Street Blocki, the business partner of John T. Connery, will not have a chance to run again for his present job on the Board of Review, until next year.

So William J. Connery, nephew of John T. Connery, Francis D. Connery and Michael M. Connery will retain his nice-salaried job as Blocki's Secretary.

But by next year a few more offices may be created for a few more Connerys as it would be too bad to have Blocki, John T. Connery's partner in the coal business running on a ticket where there was not another member of the Connery family to keep him from getting lonesome.

Connery first—the rest nowhere.

JUICY JOBS FOR CONNERYS

Information Gleaned from a Circular Distributed in the 28th Ward at the Last Primary.

A circular containing the following information was sent out broadcast in the Twenty-eighth ward during the late primary for Democratic Ward Committeeman and created much comment at the time:

"Other Connerys are holding office besides those mentioned above."

The above circular circulated by 28th Ward Democrats at the 1915 primary election only gives the relatives of Francis D. Connery, who is a brother of Reviewer Blocki's partner, John T. Connery; State Attorney General's Investigator Michael M. Connery; Recorder of Deeds Joseph F. Connery; an uncle of Reviewer Blocki's Assistant, William J. Connery; a brother of Henry Connery, State Bank Examiner, and a cousin of Joseph M. Connery, said to be a candidate for Board of Review.

ABANDON SHERIDAN ROAD

Lincoln Park Commissioners Allow Its Use in the Vicinity of Balmoral Avenue as a Garage for Gang Automobiles.

Residents of Edgewater and users of the boulevard generally are loud in their complaints of the action of the Lincoln Park Commissioners in permitting the Sheridan Road in the vicinity of Balmoral Avenue to be used as a garage for the autos of easy-going sports associated with the gang. Sheridan Road in this vicinity is almost impassable because of the gang of autos that are permitted to stand in the roadway.

The boasted privacy of Edgewater is no more, and people who have put up costly homes in the vicinity complain loudly of autos parked in front of their residences, and chauffeurs and others connected with the gang loitering or laying at full length on their lawns. This abuse has grown to be a public scandal.

WACKER'S GOOD WORK

"After my experience on Sunday patrolling the lake front I am determined to fight harder than ever," said Charles H. Wacker, "to get the lake front back for the people. I conservatively estimate that 400,000 people sought the cooling breezes in the lake front parks, on the municipal pier and along the beaches on Sunday.

Nearly 25,000 people were admitted to the municipal beach at Clarendon Avenue. Careful calculation indicates that 75,000 to 100,000 people were in the water and massed along the two

REJECT GERMAN

Connery Democratic Committee Nominates Big County Ticket Without a German Name—Say Germans Have No Chance.

The Democrats have nominated a ticket without a German by birth or descent on it.

A Connery is on it of course, for one of the best jobs.

Not a man on the ticket had an American grandfather, the only outgoing county official who had an American grandfather, County Surveyor George C. Waterman, was not renominated.

No Germans were wanted. Some of the leaders were interviewed by The Tribune with the following results:

Ross C. Hall, representing the country towns, said:

"Our ticket will be unbeatable in November after we have slated a few Poles for the Municipal court. The city hall forces have put up a ticket of Swedes and Germans.

cancy)—Joseph Sabath, Circuit Judge (to fill vacancy)—Jacob H. Hopkins.

"We will nominate Hayne and cut the guts out of him at the polls like we did in 1912," said one leader.

THREE GOOD MEN FOR THE SANITARY BOARD

The nomination of Thomas M. Sullivan for President of the Sanitary District of Chicago and of James A. Long and Joseph Rushkewicz for Trustees of the Sanitary District could not be improved upon. They should be elected, as all of them have been tried in public office and have proven themselves to be good public servants.

POOR VOTE GETTERS

Although the Connerys Hold Many Public Jobs They Are Not Strong at the Ballot Box.

At the Democratic primary for Recorder of Deeds in 1912 the result was:

Joseph F. Connery.....56,343
His opponents64,493
So Connery was a minority nominee.

At the same primary John W. Rainey ran for the nomination for Clerk of the Circuit Court, the office held by Connery's Republican nephew-in-law, Joseph E. Bidwell, Jr. Result of the primary:

John W. Rainey71,695
All opponents44,666

Rainey's majority over all27,029

At the same primary in 1912 John T. Connery's partner in the coal business, Blocki, was a candidate for the nomination for Board of Review. The result:

Blocki, Connery's partner39,415
His opponents87,253

So Blocki, Connery's partner, was in a minority of 47,838 votes. One of his opponents, Charles J. Vopicka, came near defeating Blocki, Connery's partner, receiving 38,989 votes to Blocki, Connery's partner's 39,415.

DEMOCRATIC WORKERS SORE

Discontent Among Democratic Workers Is Increasing Over the Tendency of Democratic Bosses to Give the Best Jobs to Members of One Family.

The people have known right along that the Connerys were credited with holding many public jobs in Chicago.

The people have known right along that the Connerys were in the coal business to make money.

They have known right along that a member of the Connery coal firm is a member of the Board of Review.

They have known right along that this official's private secretary was a Connery.

They have known right along that the Attorney General's Office investigated matters connected with public offices.

They have known right along that the Official Investigator of the Illinois Attorney General's Office is a Connery.

They have known right along that a city clerk some of whose methods the present city clerk did not follow was a Connery.

They have known right along that the man who passes on the bills of Contractors for the Sanitary District of Chicago is a Connery—the Comptroller of the District.

They have known right along that the rather important job of State Bank Examiner is held by a Connery.

They have known right along that many of the public offices in Cook County are honeycombed with Connerys.

They know that the Recorder of Deeds, who runs again this year, whose office contains several Connerys, is a Connery.

THE FOREST RESERVE

The Plan Committee of the Forest Reserve Commissioners submitted a report recommending acquisition of approximately 1,000 acres of land on both sides of the Des Plaines River from the northern boundary of Cook county south to Milwaukee road. Report referred to real estate committee. Commissioners recently voted to acquire 1,000 acres in Palatine township.

"BEAT THE DUTCH"

Gang Democrats Shout This Sentiment and Expect to Win.

One Democratic "boss" declared loudly the other day: "Beat the Dutch. They don't vote at primaries and the Democrats don't need them. It would be ridiculous to nominate Germans on our county ticket so we left them off our slate and can win without them."

CHARLES H. WACKER.

Chairman of the Chicago Plan Commission Which Created the Municipal Pier and is Doing Much for Chicago.

THE CHICAGO POSTMASTERSHIP

Chairman Vance McCormick of the Democratic national committee urged on Postmaster General Burleson, it is understood, the necessity from a political standpoint for the immediate filling of the Chicago postmastership.

Mr. Burleson and Senator Lewis have decided on this patronage and from reliable sources comes the information that Mr. McCormick advised the withdrawal of the name of Dixon C. Williams and the substitution of some other candidate, preferably a German, as recommended by the Lewis-Dunne-Harrison people.

and one-half mile north shore stretch from Montrose to Devon Avenue.

"An official of the municipal pier reported that 200,000 people visited the pier during the day, and it was officially stated that 125,000 people took passage on a single car line leading to the lake.

"The south side is notoriously deprived of the splendid accommodations and shore stretches that are to be found on the north side. The several south side public beaches, however, which were entirely inadequate, accommodated the 20,000 people who swarmed to them.

"Where did this great army of people come from? Principally the west side, I should say. There the temperature on hot days is at least ten degrees higher than near the lake. Why should the north shore be obliged to accommodate the hordes from the west, the northwest and the north sides when five miles of south shore parks and bathing beaches could easily be made available for public use?"

We've named a ticket of Irish and Poles. How can we lose?"

There isn't a single German on the entire Sullivan slate, the talk among the slatemakers being that no German had a chance in Cook County this fall.

The full slate named follows: State's Attorney—Maclay Hoyne. Recorder—Joseph F. Connery. Circuit Court Clerk—John W. Rainey.

Superior Court Clerk—James C. Gavin.

Coroner—James B. Bowler. Assessor (six year term)—Martin J. O'Brien.

Assessor (to fill vacancy)—Joseph Cepak.

Board of Review—Thos. J. Webb. County Surveyor—William P. Feehey.

President Sanitary District—Thomas M. Sullivan. Sanitary Trustees—Joseph Rushkewicz and James A. Long. Superior Court Judge (to fill va-
